

The Social Security earnings limit penalty is wrong, unfair, and should be scrapped. With the President in agreement, and my colleagues on both sides of the aisle in full support, let's pass "The Senior Citizens Freedom to Work Act" (H.R. 5), after so many years of inaction.

Mr. SHAW. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. LATOURETTE). All time for debate having expired, pursuant to the order of the House of today, the previous question is ordered on the bill, as amended.

The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on the passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. SHAW. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The Chair announces that the vote on the Speaker's approval of the Journal, if ordered, will immediately follow this vote, and will be a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 422, nays 0, not voting 13, as follows:
